Announcement

Wayne Ricciardi takes the reins as interim club president

Due to family health issues, NCBC President Debbie Inferrera stepped down from her position in July. The Board of Directors appointed long-time club member Wayne Ricciardi to serve as

interim president through the end of the year. The club would like to sincerely thank Debbie for her service. Thank you, Wayne. And Debbie, we hope to see you at many future events!

In memoriam
Helen Marie Capps

The Brittany world lost a friend and inspiration with the passing on Aug. 10 of Helen Marie Holling Capps, 72, of complications from cancer. A long-time Northern California Brittany Club and American Brittany Rescue member, Helen Marie was known to many as the wonder woman who mentored others while accumulating title after title on her Brittans, including Striker, Magnum, Mindy and Merlot.

Born in Pennsylvania, Helen Marie moved to Fairfield as a child, started training dogs at age 10 and eventually translated her skills into a successful dog-training business. She got her first Brittany in 1986 and led six Britts to titles in conformation, obedience, agility and hunting. Her most accomplished dog was her last, CH Dogwood Hollow Strike the Gold, CDX, RAE, BN, GN, GO, SH, VD, CGC.

“Striker,” eight years old and well on the way to his Master Hunter title, has gone to live with his hunt trainer, Steve Klassen of Blue Ridge Kennels in Dixon.

“Mom was always the ‘Cool Mom,’ volunteering at swim meets, driving the car pool, being the house where friends gathered,” reminisces her son, Alan Capps of Sacramento. “My Mom and Dad were married 28 years before Ron passed in 1993. I’ve joked we had a ‘Beaver Cleaver’ family—no fights, perfect world. Once Dad passed, Mom never found anyone to compare. But she had a lot of friends.

NCBC dedicates hunt test to Helen Marie Capps

The Northern California Brittany Club is dedicating its Oct 15-16 Hunt Test to Helen Marie Capps. In her honor, the club will present a plaque to a person who, like Helen Marie, demonstrates excellent sportsmanship, is passionate, gracious, patient, optimistic, kind and supports and inspires others.

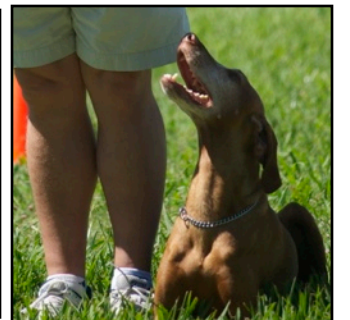

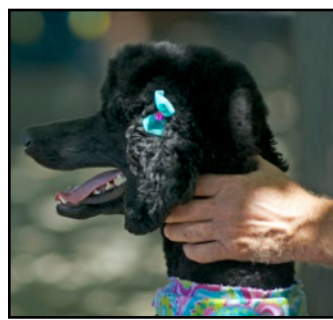

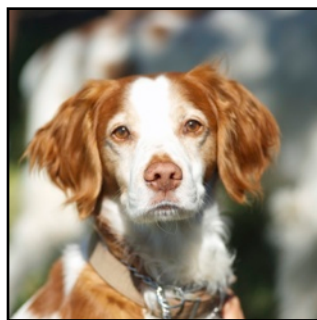

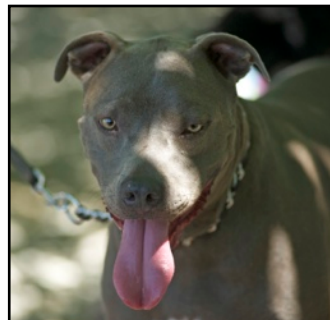

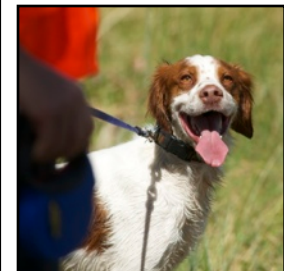

The event will be held at Kick Back Ranch in Penn Valley, home of NCBC members Wayne and Wendy Ricciardi. Event Chair is NCBC 2nd Vice President Glenda Mazzuci, who can be reached at (707) 301-8116 or glenda_larry@sbcglobal.net

Man, did she have a lot of friends.”

Helen Marie is survived by her sons, Alan and David Capps; sis-

ter, Pat Haas; dog Striker and numerous friends she called family.

Scenes from Fun Days 2016

Club members, family members, guests and dogs of many breeds enjoyed a wide variety of activities at NCBC's annual Fun Days fundraiser held the last weekend of July at Hastings Island Hunting Preserve in Rio Vista.

Aug. 20-21 walking field trial results

By Jeri Conklin

First the birds, then the humans, dogs and horses came alive as the sun rose over Hastings Island Hunting Preserve on Aug. 20. Thankfully, the cool Delta breeze blessed the start of our walking trial.

It takes a village to put on a field trial, and we had the best village helping us. Everyone pitched in and helped, most without even our asking!

We had 109 dogs run between the hours of 8 a.m. and 4 p.m., and everything went smoothly over the two days of the trial. The bird planters all worked tirelessly throughout the weekend to get the birds out in the perfect spots. Our judges spent very long, hot hours in the saddle to watch this great group of dogs run.

Placements weren't easy to come by, as the completion was stiff in the broke-dog stakes. Puppies had fun learning to navigate the tall marsh grasses, and the derby dogs found an interesting mix of planted chukar as well as the native birds one often encounters on the preserve. Handlers were great at being on the line ready to go, and spectators got to see some exciting dogs work.

"Thank you" couldn't be said enough times this weekend. So I'll say it one last time, THANK YOU to everyone who came and enjoyed our trial; to those who travelled long distances (Washington, Oregon and Southern California) to all who pitched in the help; and to everyone at the preserve who got our birds to us and made sure it was going smoothly.

Congratulations to all our placements! We worked hard, played hard and had fun with our dogs! Couldn't ask for a better weekend.

When the sun set on the horizon Sunday night, all was quiet once again and the cool Delta breeze continued to blow.
